

Constant Learning

Warren Bennis is well known for being an expert in leadership development. In his book *On Becoming a Leader*, Bennis wrote...

“There are lessons in everything, and if you are fully deployed, you will learn most of them. **Experiences aren't truly yours until you think about them, analyse them, examine them, question them, reflect on them and finally understand them.** The point ... is to use your experiences rather than being used by them, to be the designer, not the design, so that experiences empower rather than imprison.”
